West Beach Pedestrian Improvements \$3,250,000

PROJECT DESCRIPTION:

These funds are being used to enhance the pedestrian linkage between Stearns Wharf and the Harbor. Phase I Conceptual Design has identified a number of capital improvements including construction of enhanced pedestrian crossings and signals across Cabrillo Boulevard at Castillo, Bath, Chapala Streets and Ambassador Park; improved signage and landscaping; and various improvements at Sea Landing. Phase II will focus on the area West of Sea Landing including the areas around Los Banos pool and the Waterfront parking lots.

PROJECT MANAGER:

Brian Bosse,
Redevelopment Supervisor

NOTES:

The current account balance is approximately \$2,900,000.
